StarTech.com

Spec Sheet

The StarTech.com Advantage:

Support and Resources: Single point of contact for all your questions; exclusive online tools and free live technical support

Save Time Sourcing: A complete selection of high-demand and hard-to-find products from one vendor

Best Value: StarTech.com products offer the best combination of features and price

Exclusive Resources: Complete product information and tools available at www.startech.com

1U DuraView Modular LCD KVM Rack Console with 15 in. TFT Screen

StarTech ID: 1UCABCONS

The 1U Integrated Modular LCD Rack Console by StarTech.com is a 19" 1U drawer designed for applications where cabinet space is at a premium. It offers the ultimate in styling and computer management with a 15.1" flat panel TFT display, keyboard, and touchpad all in 1U height. This allows up to 1/3 more valuable cabinet enclosure real estate to be used for computers.

The 1U drawer pulls out and the display folds up like a notebook computer for comfortable operation. When not in use, the display folds down and latches closed, ready to be pushed into the cabinet.

The LCD Rack Console is able to work with virtually any existing KVM switch and any standard rack or cabinet that is 30" or greater in depth. For even better space management, StarTech.com's unique Centronics connector allows for rear-mounted KVM switch modules that integrate KVM functionality directly into the unit. For added versitility, the keyboard and mousepad can easily be replaced.

NOTE: Console cable not included

Applications and Solutions

> Managing cabinet mounted servers

> Improving the internal space efficiency of existing cabinets
> Centralized control of dozens of PCs and servers if used with optional KVM modules.

Features

> 15 Inch TFT LCD Display
> Full 105 key low profile keyboard
> Modular design allows optional 8 or 16 port KVM switch modules to be integrated into the unit.
> Standard 19" 1U rack drawer
> Supports resolution up to 1024x768 pixels
> Extendable rails can be adjusted between 67.5 cm (26.63 in) and 80.5 cm (36.63 in)
> Quick and easy installation

Specifications

> Connector Types 2 - 6 DIN Female
> Connector Types 1 - High Density DB15 Female
> Enclosure Type Steel
> KVM Audio No
> KVM Cascadable Yes
> KVM Dual No
> KVM DVI No
> Supported Platforms PS/2
> KVM IP Control No
> Number of KVM Ports 1
> KVM Rackmount Yes
> KVM TFT 15
> Product Length 18.9 in [48 cm]
> Maximum Number of Users 1
> Operating Temperature 0 to +50℃
> Power Adapter Included Yes
> Power Adapter - Amperage 4 Amps
> Power Adapter - DC Voltage 12 Volts
> Carton Quantity 1
> Storage Temperature -20 to +60℃
> Shipping (Package) Weight 32.69 lb [14.79 kg]
> LCD Size 15.1 inches TFT
> Resolution 1024 x 768 @60/70/75Hz
